

SETTING THE STANDARD.

Model 67 Freezeless Wall Hydrant

ASSE 1052 approved field
testable double check backflow
preventer and vacuum breaker

Woodford 67 series are the best-selling commercial wall hydrants in the nation. With good reason.

They drain automatically, even with a hose attached. They're high flow and maintenance-free. They have fewer parts to wear out than competitive hydrants. And they won't freeze.

They're guaranteed for five years. They set the standard other faucets can only hope to reach.
