WOODFORD

FREEZELESS ROOF HYDRANTS

RHY2-MS AUTOMATIC DRAINING ROOF HYDRANT

- Pipes to interior drain location to prevent freezing
- **Automatically drains** when hydrant is shut off—even with a hose attached; no effort required to drain properly
- Includes ASSE 1052 Model 50HF, field-testable backflow preventer
- Includes heavy-duty cast iron mounting system
- ASSE 1052 listed

SRH-MS SANITARY ROOF HYDRANT

- **No drain line required**
- When hose is removed, a venturi action draws water out of internal reservoir and discharges through outlet in order to winterize
- Includes ASSE 1052 Model 50HF, field-testable backflow preventer
- Includes heavy-duty cast iron mounting system
- ASSE 1057 listed
